THE A′ DESIGN AWARD

The A′ Design Award & Competition is one of the World's largest and most international design accolades, organized annually since 2008 across hundreds of creative disciplines and open to entries from all countries. Founded with the philanthropic mission of advancing society through good design, the A′ Design Award recognizes and promotes the very best designs, design concepts and design-oriented products from across the globe. Entries to the A′ Design Award & Competition are peer reviewed and anonymously judged by the A′ Design Award grand jury panel of prominent scholars, leading design professionals and influential media members following predetermined evaluation criteria, and the A′ Design Award results are announced annually on May 1.

RECOGNITION

The A′ Design Award & Competition is honored to recognize **Britta Schwalm** as a laureate of the **A′ Design Award** in the **Fine Arts and Art Installation Design** Category for the work entitled **Blessed Child Rings**, designed for Blessed Child (Your 'Glueckskind'). The A′ Design Award distinction was conferred upon **Blessed Child** in the 2014 – 2015 competition period after **Blessed Child** was peer reviewed and anonymously judged by the esteemed jury panel of the A′ Design Award & Competition against predetermined evaluation criteria, and is duly recorded in the official records of the A′ Design Award & Competition under the design identification number #37633.

The A′ Design Award Recognition stands as testimony to the distinguished creative and technical merit of **Blessed Child Rings** and grants the A′ Design Award laureate the lifetime right to display the Iron A′ Design Award winner logo in connection with **Blessed Child**, in accordance with the A′ Design Award logo usage guidelines. The A′ Design Award laureate is listed in the World Design Rankings and the Designer Rankings, and **Blessed Child** is presented within the A′ Design Award laureates' exhibition, hardcover yearbook and international publications, reaching a global audience of design professionals, press members and design enthusiasts.

THE IRON A′ DESIGN AWARD

Awarded to the top 20% of entries in the A′ Fine Arts and Art Installation Design Award, the A′ Design Award denotes a remarkable achievement in design that has been validated through blind peer review by the grand jury panel of the A′ Design Award & Competition. Entries to the A′ Design Award & Competition are evaluated on predetermined criteria and weighted for the different jury groups to ensure a fair and rigorous evaluation. Eligible A′ Design Award laureates are provided the A′ Design Prize, which includes the exclusive A′ Design Award trophy, the design excellence certificate, the hardcover yearbook of best designs, the perpetual license to use the A′ Design Award winner logo, and a series of public relations and publicity services to celebrate the success of winning the A′ Design Award.
