THE A′ DESIGN AWARD

Established in 2008, the A′ Design Award & Competition is one of the World's most influential international design accolades, annually recognizing exceptional design work in all creative categories with participation from all countries across the globe. The A′ Design Award & Competition was established to create a global understanding and appreciation for good design practices and principles, and to encourage designers, brands, architects and manufacturers worldwide to develop superior products, projects and services that benefit society. Nominated works are evaluated through peer review and blind voting by the internationally influential A′ Design Award jury of academics, design professionals and press members, and eligible A′ Design Award laureates are granted the A′ Design Prize, which includes the exclusive A′ Design Award trophy, the hardcover yearbook, the certificate of design excellence, international exhibition and extensive publicity.

RECOGNITION

The A′ Design Award & Competition hereby recognizes **Britta Schwalm** as a laureate of the **Bronze A′ Design Award** in the **Handmade, Crafts and Artisan Design** Category for the work entitled **Keepsake Pendant**, designed for BrittasSchmiede. The Bronze A′ Design Award distinction was granted upon **Keepsake** in the 2022 – 2023 competition period after **Keepsake** was peer reviewed and anonymously judged by the esteemed jury panel of the A′ Design Award & Competition against predetermined evaluation criteria, and is duly recorded in the official records of the A′ Design Award & Competition under the design identification number #150314.

The Bronze A′ Design Award Recognition bears witness to the outstanding creative and technical merit of **Keepsake Pendant** and grants the A′ Design Award laureate the lifetime right to display the Bronze A′ Design Award winner logo in connection with **Keepsake**, in accordance with the A′ Design Award logo usage guidelines. As **Keepsake** was awarded in a concealed A′ Design Award category, the details of the work are disclosed at the sole discretion of the A′ Design Award laureate, while the A′ Design Award status of **Keepsake** remains fully verifiable through the A′ Design Award & Competition upon request, with reference to the design identification number noted in the A′ Design Award Recognition.

THE BRONZE A′ DESIGN AWARD

The Bronze A′ Design Award is granted to the top 10% of designs that demonstrate an exemplary level of perfection in design. Entries honored with the Bronze A′ Design Award have been evaluated with score normalization to remove any biases and were voted on aspects such as functionality, ergonomics, engineering, presentation, innovation, usability and technology by the academic, professional and press member groups of the A′ Design Award jury. Eligible laureates of the Bronze A′ Design Award are granted the A′ Design Prize, are listed in the World Design Rankings and are invited to the A′ Design Award ceremony, exhibition and gala-night in Italy to receive their exclusive A′ Design Award trophies, hardcover yearbooks and certificates of design excellence.
